## 1. INTRODUCTION

HeartKids of South Australia Inc (HeartKids SA) is grateful for the generous support of the people in the community, however our organisation has to meet various legal obligations that apply to fundraising in the community. This fundraising policy is created in accordance with a national guideline towards fundraising, and addresses our legal obligation regarding fundraising in South Australia. Where possible this guideline should be followed at all times by those wishing to raise funds for HeartKids.

HeartKids SA has been granted a Section 6 and Section 7 Licence by the Office of the Liquor and Gaming Commissioner to collect money or goods, or conduct entertainment to which any charge for admission is made for charitable purposes under the **'Collection for Charitable Purposes Act, 1939'**. This authorisation allows HeartKids SA to conduct fundraising activities within the regulations and legal framework of this Act. To comply with the Act, any person, group or organisation conducting a fundraising activity for HeartKids SA must apply and gain written authority to undertake the proposed fundraising activity. Along with the written authority from HeartKids SA, clear guidelines will be supplied on how to appropriately and legally conduct the fundraising activity.

To help you organise your event, the HeartKids SA committee has put together a list of points that should be adhered to in order to protect all participating parties. If you have any questions, please call our Manager – Corporate and Community Engagement on 0418 805777, who will be more than happy to assist you
